

## THIS I CAN USE

The Lord gave us a **VOICE** to speak. But mine  
I cannot use  
The Lord gave us **EYES** to see but I cannot  
see, for I'm blind  
The Lord gave us the ability to **HEAR** but  
I'm deaf, and cannot hear  
The Lord gave us legs and feet to **WALK**  
but mine are crippled and I cannot use them  
But the Lord also gave us the ability to **LOVE**  
and share this **LOVE** and this I can use

For you see this is a gift from God  
and if I do not use it then it will  
be a sin. And for an angel such as I  
to sin it cannot be. For you see  
I owe this gift to those who help me  
**SPEAK, SEE, HEAR AND WALK**, when I cannot

So...

You see an angel such as I can  
only use what God himself has given with love.

So this gift  
I can use and use it I will!

Love Always,  
Mickey Forbes

Dedicated to my angels  
past and present.  
Merry Christmas

And remember Love is a gift share it always  
with family, friends & strangers.  
We may meet along this journey we take  
together
